

The Compliance Chronicle

Texas Cottage-Food Operators Edition

Issue #2 — covering 2026-09 — published 2026-10-01

IMPORTANT — PLEASE READ

The Compliance Chronicle is an information service, not a law firm. Nothing in this issue is legal advice, and reading it does not create an attorney-client relationship. Plain-English summaries are provided for general awareness; the cited source text governs. For advice about your specific situation, consult a licensed Texas attorney.

This is what a quiet month looks like: a clear no-material-changes confirmation, the search log that backs it, and the deadlines coming up. Silence is never the product — evidence is.
